**R E: Writing Workshop on the Commemorative Centennial Book**

The university is nearing its centennial celebration and we are preparing a centennial book to be launched in 2024. In this regard, we will conduct a 3-day writing workshop with the selected writers on **February 16 -18, 2023 at the Farm at Guinciaman, San Miguel, Leyte.**

It is important to conduct this workshop to put the committee, writers, and staff in the same place in producing the book, so that each page will be agreed by the representatives on its visual and written aspects.

Please make yourself available on the above dates.

Your participation is highly appreciated for the success of this activity.

EDGARDO E. TULIN  
President
