

VISAYAS STATE COLLEGE OF AGRICULTURE  
Baybay, Leyte

OFFICE OF THE PRESIDENT

05 January 1990

MEMORANDUM NO. 2  
Series of 1990

TO: The VISCA Administrators, Faculty and Staff Members  
RE: RESPONSE TO THE DECLARATION OF NATIONAL EMERGENCY

In line with the call of President Corazon C. Aquino under the present state of emergency, I hereby warn all VISCA's not to engage in unauthorized activities on the Campus such as rallies, boycott and other forms of mass action, as well as disinformation campaign, that only contribute to the destabilization of our government.

I urge all of you to exercise prudence and propriety in assuming your functions as staff and faculty members of this institution. Let us not submit nor be persuaded by a bunch of misguided people on the campus whose primary goal is to promote personal interest at the guise of promoting the welfare of the campus community. All unit heads are advised to perform their role as administrators.

Any action contradictory to this call shall be dealt with accordingly.

  
M. R. VILLANUEVA  
President
