R E: Review Committee for Administrative Case No. 005

With Prof. Efren Saz as Chairman, please constitute yourselves into a committee to review Adm. Case No. 005 against Dr. M. K. Palomar and Dr. Anabella Tulin. Civil Case No. B-1301, which they filed against ViSCA, was already withdrawn by them and approved by the court during the July 19, 2000 hearing of the case. Hence, review of the Administrative Case No. 005 which appears the subject of the above-mentioned civil case now appears in order.

Respondent's motion for reconsideration which was earlier denied by mere technicality should be reviewed by your committee based on its merits.

Please submit your report and recommendation not later than August 16, 2000.

Please be guided accordingly.
