R E: Another Round of Self-Evaluation

During the preliminary evaluation conducted last October 29 – 30, 2010, there are remarks/suggestions given by the AACCUP Consultants. These remarks should be incorporated as early as possible to improve the presentation and contents of the required documents.

Hence, you are hereby directed to conduct another round of self-evaluation on **November 11-12, 2010** to ensure that the remarks/suggestions of the consultants are incorporated by the concerned committee working on the different areas.

Furthermore, let us all strive to obtain at least a 4.5 rating which is equivalent to Level IV Accredited Institution.

JOSE L. BACUSMO
President
