**R E: Awareness Webinar on Data Privacy Act of 2012**

The university reframes its policies and programs in response to the new decade. To safeguard the privacy of our students, faculty, and staff, VSU carried out the Data Privacy Act of 2012.

In this connection, please be informed that there will be a Virtual Data Privacy Act of 2012 Awareness Webinar on April 7, 2022, from 8:00-5:00 pm via Zoom. Dr. Rolando R. Lansigan, the former Chief of the Compliance and Monitoring Division of the National Privacy Commission (NPC) will share his expertise and knowledge in data security and data protection of students, faculty, and staff of the university.

You are hereby invited to attend and are further requested to encourage your faculty, staff, and students to join the said awareness webinar. Below is the zoom link for your reference.
