MEMORANDUM CIRCULAR NO. 47

Series of 2012

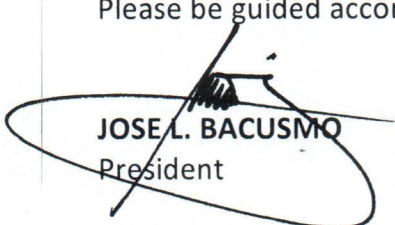

T O: All Faculty, Staff, Students and other VSU Constituents

R E: Awareness Seminar on Common Cancer Affecting Men and Women

Please be informed that an awareness seminar on Common Cancer Affecting Men and Women will be conducted at the Convention Center on August 2, 2012 at 10:00 A.M. This is one of the activities lined up by the university through the VSU Hospital as part of our anniversary celebration for the welfare of our employees. The forum will discuss the generalities of the "EARLY WARNING SIGNS OF CANCER" and it will also offer information of the baseline risk factors of developing cancer, risk assessment of developing cancer in certain population, how it will be detected early, how certain type of cancer can be prevented, screening of cancer and method of diagnosis, staging, etc. The panelists are well known oncologists, surgeon, pathologist, radiation therapist, etc. from Cebu Doctor's Hospital and Perpetual Succor Hospital of Cebu City.

All interested faculty and staff including students and other VSU constituents are hereby encouraged to attend this very informative forum. Heads of departments/units/centers are requested to allow their interested employees to attend this activity on official time. The VSU Hospital secretariat is requested to require the employee-attendees to register their participation to this forum for documentation purposes.

Please be guided accordingly.

JOSE L. BACUSMO
President
