**MEMORANDUM CIRCULAR NO. 58**  
Series of 2023

**T O: All Heads and Directors of Respective Departments and Units**

**R E: Establishment of a Campus-Based Alumni Chapter**

As part of our efforts to strengthen the relationship and collaboration between the Visayas State University and its alumni, we are pleased to announce the establishment of a Campus-Based Alumni Chapter.

In this regard, we encourage all departments and units to actively participate in alumni activities by listing all VSU alumni currently employed in your respective department/unit along with their details. We also kindly request the assistance of your designated alumni communicator in gathering this information from your office and have the attached document **printed and ready for pick-up** by ACRO personnel at **2:00 pm on Tuesday, April 4, 2023**. This is done to ensure a timely retrieval process for the necessary data.

This initiative aims to create a platform for alumni to reconnect with their alma mater, fellow alumni, and to contribute to the growth and development of the university. By establishing a Campus-Based Alumni Chapter, we hope to foster a sense of community and camaraderie among our alumni and provide them with opportunities to engage in activities that can support the university's goals and objectives.

We believe that your unit's contribution to this endeavor is crucial, and we hope that you will support this initiative by actively participating in alumni activities and encouraging your alumni to join our Campus-Based Alumni Chapter.

Thank you for your attention and cooperation.
