S U B J E C T: Land Use Committee

With Dr. Antonio L. Acedo as Chairman and Dr. Salvador C. Dagoy as Co-chairman, please constitute yourselves as the ViSCA Land Use Committee with the following duties and responsibilities:

1. review existing practice of land utilization in ViSCA and determine the major problems and issues;
2. propose guidelines and policies to effect proper land utilization;
3. prepare detailed land program use specifying appropriate areas for various crops, animals and forest trees in terms of research, extension, and research needs;
4. recommend to the President through the Director of Research and Extension actions related to land use.

In the formulation of policies and program plans, please be guided by ViSCA's concern for relevance to the small Visayan farmers and our commitment to ecological rehabilitation and preservation.

For compliance.
