R E: Participation to SUC Fair 2023

In relation to VSU's participation to the CHED-initiated **SUC Fair** on **July 10-13, 2023** at **SM City Iloilo**, you are hereby requested to be part of the VSU delegation. This one-week activity will include different activities like symposium, regional booth fair with product displays and products for sale from each region, cultural show, vlog competition, and many more. VSU is assigned to participate in the Cultural show and in the vlogging competition.

Most of the VSU delegates (students, coaches, in-charge of booth displays and products for sale, carpenter) will depart on July 7, 2023 by boat via Ormoc-Cebu Toledo-San Carlos-Banago-Iloilo. A bus will be dispatched for this purpose because of the pre-fabricated booth materials, and product exhibit displays and for sale as well as the costumes of the student dancers.

Kindly prepare your respective cash advances. The cash advances from VSU delegates from research will be charged to their extension funds. For the student coaches, please include in your cash advance the travelling allowance of the accompanying students.

Please be guided.
