R E: Submission of the Program Performance Profile (PPP)

Based on records, you have not submitted yet the PPP of the degree programs in your respective department that is scheduled for AACCUP accreditation to be done simultaneously with the Institutional Accreditation. Please be informed that one of the requirements for Institutional Accreditation is that, at least 75% of the programs being offered by VSU should be accredited to Level 1 status.

The PPP will be evaluated first and the results will be sent to AACCUP for another round of evaluation. Only then we can request for the visit of the AACCUP accreditors for the Institutional Accreditation.

Please be reminded that the deadline set for PPP submission was April 15, 2009 yet. In order for VSU to be accredited, you are hereby directed to submit the PPP on or before July 15, 2009.

For your guidance and compliance.

JOSE L. BACUSMO
President
