R E: Participation in "Shining Through Service: A Month of Excellence - Celebrating the 123rd Philippine Civil Service Anniversary (PCSA)"

Once again, the university will actively participate in the nationwide celebration of the 123rd Philippine Civil Service Anniversary (PCSA) on the whole month of September. The PCSA has a 10-year overarching theme "*Transforming Public Service in the Next Decade: Honing Agile and Future-Ready Servant-Heroes*" which reflects the collective experience of the government workforce in the new normal, and in pushing for digital transformation and innovations to uphold public service excellence and continuity. This year the sub-theme "*Shining through Service: A Month of Excellence - Celebrating the 123rd PCSA*" serves as a platform to recognize and honor the exemplary contributions of civil servants to our nation and its development. The event will comprise various engaging activities designed to promote excellence, professional growth, and community engagement within our institution.

I encourage each of you to actively participate and engage in these activities. I am confident that our collective efforts will display the spirit of excellence that embodies Visayas State University. The Human Resource Management will coordinate the execution of the activities. They will provide further details and guidance on each activity for your participation.

Attached is the month-long program of the celebration.

For your information and active participation.
