MEMORANDUM NO. 204
Series of 1993

T O: All Concerned

SUBJECT: Illegal Business in Offices, Dormitories and
Cottages/Apartments

Based on complaints filed by ViSCA Market stall concessionaires, the Agribusiness Project Management (ABPM) committee conducted a survey and noted several illegal businesses in offices, dormitories and cottages/apartments. These illegal business activities have greatly affected the income and rights of concessionaires of the ViSCA market who are paying business permits, taxes and store rentals.

In view of this and as recommended by the ABPM committee, unauthorized selling of groceries, softdrinks, toiletries and other similar items in offices, dormitories and cottages/apartments shall no longer be allowed effective October 16, 1993. Selling of snacks items in these places and other areas on campus may be allowed only during special occasions like anniversary celebrations, athletic meets, food fairs and related events.

The Agribusiness Project Management office is requested to monitor strict implementation of this memorandum.

Please be guided accordingly.
