RE: Survey of VSU-Tolosa Lots

You are hereby directed to conduct a survey of the VSU Tolosa lots. We need the result of your survey as our basis in identifying the area we will give as site of the high school under DepEd.

As agreed during the conference with DepEd officials and representatives from the Office of the Solicitor General, the lot donated by Mr. Miguel Romualdez to the DZRM School of Fisheries, now VSU-Tolosa, in the other side of the highway will be the new high school site. Please indicate in your survey that portion which will be given to DepEd with an area of 2 hectares and the remaining area of the Lot 10 that will remain with VSU-Tolosa campus. Please secure the documents needed in your survey from Mr. Eduardo Lerios of the VSU-Tolosa campus.

Please be guided accordingly.

JOSE L. BACUSMO
President
