R E: Cleanliness of Roadsides in Immediate Vicinity

Due to financial constraint, our University cannot afford to hire additional manpower to help maintain the cleanliness of the campus. In view of this, you are all requested to please advise the utility worker or workers (for departments/centers sharing a building) and students in your respective units to include in cleaning, the road and roadsides located within 50 meters of your building in addition to maintaining the cleanliness of your surroundings.

Thank you for helping keep the cleanliness and beauty of VSU – OUR UNIVERSITY.
