**DATE: December 16, 2024**

The Office of the Vice President for Research, Extension, and Innovation in collaboration with the Editorial Board of the Annals of Tropical Research (ATR) is pleased to announce the launching of the new ATR website ([atr.vsu.edu.ph](http://atr.vsu.edu.ph)). Our new upgraded ATR website features several technical and aesthetic enhancements including a robust yet user-friendly submission-to-publication platform.

Since its inception (Vol. 1, Issue 1) in 1979 to its current publication (Vol. 45, Issue 2), the ATR has gone through various stages of development and challenges making the journal what it is today. The Visayas State University is committed to elevate our journal's performance and quality at par with international standards and in keeping the ATR up to date with the ever-evolving demands for relevance and sustainability.
