MEMORANDUM CIRCULAR NO. 74
Series of 2015

T O: Heads of Academic Departments and Institutes, Directors of Research Centers and Other Units Having Personnel with Academic Positions

R E: List of Institutions with CHED Accredited Programs

Based on the latest meeting of the Council of Deans, we will soon be finalizing the list of institutions with outstanding track record of delivering CHED Accredited Programs within the Philippines where the faculty in your department/academic unit can be allowed to take their master's or doctoral degrees. This listing is very crucial because this shall become the basis of the Academic Personnel Board and the Scholarship Committee in the approval of recommendations for study leave and in the hiring of new faculty.

Kindly consult/discuss/brainstorm with your faculty before you make your list. You should have justifiable reason(s) and concrete basis/bases for considering said institution. Information available in the websites of various institutions will be a great help in this aspect.

If you recall, you were already asked to submit a list last year. However, the Council had a difficulty validating the lists because of lack of data or information to support such claims. Please fill up the attached table and submit to Dr. Beatriz S. Belonias, the Chairman of the Committee to Identify Institutions for VSU Faculty to Pursue Advanced Degrees (OP memo 102. S. 2014) on or before **February 28, 2016**.
