R E: 2020 Christmas Parties

The national government, during the meeting of the Inter-Agency Task Force on the Emerging Infectious Diseases (IATF-EID) last December 7, 2020, urged the public to **skip Christmas festivities this year** for the safety of everyone amidst the prevailing coronavirus disease 2019 and to prevent a post-Christmas **holiday surge** of COVID-19 cases.

Since Baybay City is one of the LGUs in Eastern Visayas with active cases, this office is urging all units/offices/departments, and colleges to skip holding Christmas parties this year. Lunch within members of the same office may be allowed provided health protocols are strictly observed. Should there be a need to share food to celebrate Christmas with other colleagues, individual packed lunches or snacks may be distributed to intended recipients. Food buffets and other types of food service that involve the gathering of people from other units is prohibited. Foremost, games and videokes are strictly prohibited.

Let's make VSU a part of the solution in fighting against COVID-19.

For strict compliance.
