R E: Donations for the Fire Victims of Warner Apartment

We are greatly saddened that a fire gutted the entire Warner Apartment yesterday. Thankfully, nobody was hurt, but between fire, smoke and then water, Warner residents lost almost or everything they owned.

At the moment, the VSU administration is helping the families by providing food and temporary accommodation. Planning for their permanent relocation has also been undertaken. The LGU-Baybay City, Mayor Carmen L. Cari and some private individuals also gave financial assistance and food packs.

To show our concerted support, donations (in kind or cash) to help our colleagues and their families obtain clothes, beddings, toiletries, and other essentials, are encouraged. Please give your donations to the Office of the President, 2nd Floor Administration building.

Thank you for your concern and generosity.

EDGARDO E. TULIN
President
