**R E: Student On-Boarding AY 2021-2022**

The start of a brand new school year is here again. Similar to the previous year, we are doing our **2<sup>nd</sup> Student Onboarding Program** to prepare, orient and update our learners including other stakeholders about our school policies, guidelines and other important matters related to students' academic journey here in VSU. This will be held on August 19-20, 2021, live via VSU's official FB page.

This activity is in fact our first opportunity to engage and interact with students to create an inclusive experience that will set the ground work for a positive and safe learning environment in a time of a global pandemic. The 2021 Student On-boarding will also tackle flexible modalities in which vital student services will be introduced to ensure the overall wellbeing of our students.

In connection with this virtual Student On-Boarding, you are hereby requested to encourage and facilitate the active participation of our students. Attached is the Program of Activities for reference.

Your continued support and cooperation is highly appreciated.

Please be guided accordingly.
