VISAYAS STATE COLLEGE OF AGRICULTURE
Baybay, Leyte

OFFICE OF THE PRESIDENT

April 2, 1987

MEMORANDUM NO. 39
Series of 1987

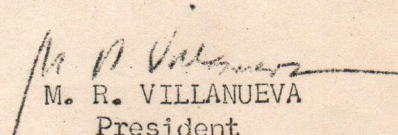

T O: All ViSCA Faculty, Staff, Students and Residents

R E: Campus Cleanliness Campaign

Graduation is considered one of the special occasions in ViSCA. This is particularly treasured by our graduating students because it marks the day when they will officially leave their Alma Mater after having been nurtured under long and gruelling years of studies. Being a part of their lives now, ViSCA will be remembered by the graduates until eternity. They would want to remember ViSCA as an academic institution of high excellence.

Let us all join the spirit of graduation by making ViSCA more beautiful during this special occasion. May I ask everyone - the faculty, the staff and all the students - to join and work together in a Campus Cleanliness Drive, effective immediately. Everybody is enjoined to join and campaign for the drive to cover all areas of the campus including residential areas, campus road, highway and department/center/office premises. These efforts shall be dedicated to the 1986-1987 ViSCA Graduates and their parents.

My deep appreciation for your full cooperation.

M. R. VILLANUEVA
President
