The Levels III and IV accreditation of 20 VSU programs (2 programs in VSU Alangalang, 3 programs in VSU Villaba and 15 programs in VSU Main) will happen on March 21-25, 2022. These programs are divided into two batches. The first 10 programs will be visited online on March 21-23, 2022, while the other 10 programs will be visited online on March 23 - 25, 2022. Attached in this memorandum is a copy of the program of activities for March 21-23 for your guide.

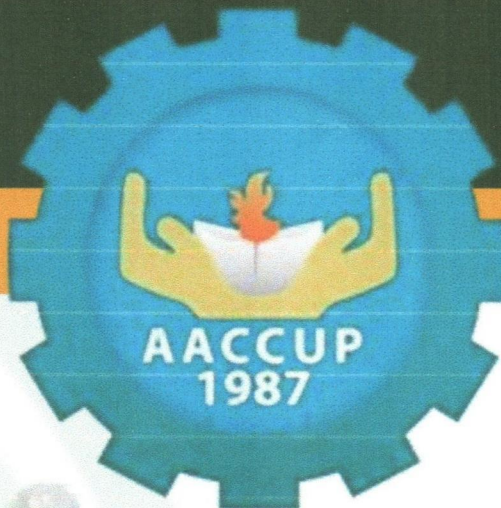

Since the survey visit will be done in two batches, we will be having two opening programs. The first will be held on March 21, 2022 at 10:00AM, and the other will be on March 23, 2022 at 9:00 AM. During the Opening Programs, the Vice Presidents and the Deans of the Programs to be accredited (Dean of Graduate School, Dean of CAFS, and Dean of CME), are invited to be at the RDE Hall together with the VSU President and the QA Director. The Department Heads, Program Coordinators, Program Task Force members, and other VSU Faculty and Staff are invited to attend virtually via the zoom link that will be provided by the ODQA staff later.

Our attire during the Opening Program on March 21, 2022 will be our Monday uniform.

ICTMC staff are directed to help ensure strong internet connectivity during the online evaluation of documents and the presentation of narrative profiles. PESMU staff are also directed to be ready with the backup generator in case of brownout during the accreditation dates.

For your guidance.
