**R E: Documents for AACCUP Accreditation**

In connection with the forthcoming Program Accreditation on August 23 – 28, 2010, there are important documents from your office that are needed to support the accreditation of our nine (9) Curricular Programs. These documents are needed to update the Program Performance Profile (PPP) and the Master Survey Instrument (MSI) of the nine programs. One hard copy each of the PPP and the MSI per program should be forwarded as soon as possible to the AACCUP Office in Manila for evaluation before the actual accreditation process in August.

Hence, you are hereby requested to prioritize the request for ANY document from your Office that are needed in the AACCUP accreditation. A representative faculty/staff from the concerned Colleges/Departments will go to your respective Office to request for the needed documents.

Your usual cooperation is enjoined.

  
**JOSE L. BACUSMO**  
President
