R E: Adjustments to the 98th Founding Anniversary Schedule

In light of recent events brought about by Tropical Storm Agaton and with due respect and deference to the affected VSU families, we found it prudent to make a few adjustments in relation to our 98th Founding Anniversary schedule.

We have retained our most essential anniversary activities along with a few important events. May I request the people in charge of the different committees to meet immediately to plan and execute your respective responsibilities for the anniversary's success.

May we have a hopeful and meaningful celebration amidst the adversities we face.

Looking forward to everyone's cooperation.

EDGARDO E. TULIN
President
