R E: VSU Commemoration Program on Typhoon Yolanda

On November 8, 2013, the Philippines experienced the strongest recorded typhoon in history which resulted to much loss of lives and property in Leyte, including VSU. The experience brought home the reality of climate change to the university and the need to understand this new normal, need to build better and how VSU can contribute to this challenge.

It is in this context that we will commemorate the **1st Anniversary of Typhoon Yolanda** with a **Holy Mass and Program on November 11, 2014 (Tuesday), 8:30 AM** at the **VSU Convention Center**.

Everyone is encouraged to attend. The Deans/Department Heads are requested to disseminate this information and encourage their students to attend the program.

For information and guidance.
