**R E: Orientation Seminar on GFAL-II Program**

The Government Service Insurance System (GSIS) is conducting a series of orientations for government employees on its services. One of these services is its expanded loan program, the GSIS Financial Assistance Loan (GFAL) II.

GFAL II was started with DepEd employees last May 15, 2018. It aimed to help them settle their outstanding loans from accredited private lending institutions (PLIs) and provide benefits in the form of lower interest and better terms of payment.

To fully understand this new loan program, an orientation for VSU GSIS members will be held on **May 2, 2019** from **8:30am – 12:00nn** at the **CCE Building 1<sup>st</sup> Floor**. Other GSIS issues will likewise be tackled after presenting the GPAL II program.

All GSIS members are invited to attend this seminar. Kindly submit names of interested participants to ODAHRD by phone (563-7643) or IP to Ms. Jennifer E. Ando on or before April 30, 2019.

Everybody's participation is enjoined.
