MEMORANDUM NO. 86
Series of 1993

T O: Dr. Rodolfo G. Escalada
Dr. Paciencia P. Milan

R E: A T E P

In preparation for the complete institutionalization of ATEP in the VISCA program, please formulate a phasing-in plan for the eventual take over of the program by the Graduate School. Such phasing-in plan does not necessarily require any transfer of responsibilities until the project is over, but more of introducing the Graduate School into the ATEP operation, including its external linkages.

Thank you.

President
