President  
Visayas State University  
Visca, Baybay, Leyte

Dear Dr. Bacusmo,

Good day.

A training program entitled "Trainer's Methodology 1 Plus (TM 1 Plus)" sponsored by Technical Education and Skills Development Authority in collaboration with the Visayas State University was conducted sometime this year at the College of Engineering where the Dean is Dr. Roberto C. Guarte. Allegedly, "more favored" employees on Job Order status, among others, and who are close relatives of Dr. Guarte were sent, instead of more qualified personnel, in the mentioned training program.

In this connection the undersigned is asking for a speedy and impartial investigation of this allegation to ferret the truth, and if Dr. Guarte can be made accountable for abuse of authority and/or discretion and whatever appropriate violation(s) has (have) been committed to the existing civil service rules and regulations. Thank you for your usual attention and in anticipation of your prompt action on this request.

Very truly yours,

*Alan L. Presbitero*
