MEMORANDUM NO. 366

Series of 2022

T O: VPs, Research Center Directors and UADCO Members

R E: Visit of DOST Secretary dela Peña

The party of DOST Secretary Fortunato T. dela Peña, Undersecretary Sancho A. Mabborang, Dir. Ernesto M. Granada and other DOST regional executives will visit VSU on March 24, 2022 to inspect DOST funded research projects. Particularly these projects are "Food Value Chain Improvement of Vegetables and Tilapia in Region 8", "Phase 1: Molecular Discovery Project from Selected Indigenous Medicinal Plants for Treatment of Diabetes Mellitus" and Phase 2: In-vitro Toxicity Testing of Plant Extracts with Bioactivity against Diabetes Mellitus".

As our way of welcoming him to our University, VPs with research projects and Center Directors should be at the Sorjan farming set-up situated near the current entrance and exit gate at 9:30 o'clock in the morning for his first stop over and project inspection. After which the party will proceed to the RDE Hall for a welcome program at 11:00 o'clock. The rest of the UADCO members should be at the RDE hall to welcome his arrival.

Instead of wearing our brown uniform tomorrow, please wear any white casual top attire.

I am expecting your full support and cooperation.

Thank you very much.

EDGARDO E. TULIN
President
