## **MEMORANDUM CIRCULAR NO. 41**

Series of 2002

**T O: All Residents and Dormitory/Lodging House Occupants**  
**R E: Schedule of Putting Out Garbage and/or Garbage Cans**

It has been observed that oftentimes, when garbage and/or garbage cans are brought outside at night or very early in the morning for pick up by the garbage truck, aside from causing unsightly garbage dump, dogs and cats scavenge on them causing littering on the streets. In order to avoid such, all are enjoined to place garbage and/or garbage cans outside homes, dormitories or lodging houses when the garbage truck is already within your vicinity. Otherwise, if there is a need to bring out your garbage, they should be placed in tight-lid containers to avoid spillage.

**Let us keep a litter-free campus.**

For your guidance and compliance.
