RE: TWG on Water and Sewerage System

FROM: DR. PROSE IVY G. YEPES
University President

DATE: December 19, 2024

By the authority vested in me by the VSU Board of Regents and as recommended by the Vice President for Administration and Finance, you are hereby designated to constitute the **Technical Working Group for Water and Sewerage System for the Visayas State University-Main Campus** effective **immediately until March 31, 2025**.

Specifically, the TWG is tasked to do the following:

1. Assess the existing water system (reservoir and distribution lines) of the VSU Main Campus.
2. Assess the existing drainage system (both runoff and sewage) of the VSU Main Campus
3. Submit a recommendation and a detailed engineering plan for the water and sewerage system including wastewater management.

For your information and usual support.
