R E: Meeting with KKU Professors on May 7, 2019

Assoc. Prof. Dr. Darunee Jothityangkoon, Associate Dean for Academic Affairs and Quality Assurance, and Asst. Prof. Dr. Santimaitree Gonkhamdee, faculty member of the Department of Agronomy of Khon Kaen University, Thailand will visit VSU on 6 – 7 May 2019. The visit aims to monitor the status of the five KKU students conducting research under the supervision of VSU professors and discuss the AEC Cooperative Education Program and future collaborative projects between VSU and KKU.

In this regard, may we request you to attend a meeting with the KKU Professors on May 7, 2019, 2:00PM at the CCE Building 2/F. At this meeting, the KKU students will present their studies and impressions of their stay at VSU. Since the BSA program is being subjected to Level IV (2nd cycle) Accreditation, the meeting will serve as a good proof that our international program is functional. In this activity the department heads are encouraged to invite selected faculty members and students.

Anticipating your usual cooperation.

EDGARDO E. TULIN
President
