R E: Fact-Finding Committee

With Prof. Prudencio Q. Marquez as Chairman, please constitute yourselves into a Fact-Finding Committee to investigate if gambling is indeed perpetrated by some ViSCA staff while playing tennis at the Visca tennis court.

Attached is a copy of Dr. de la Rosa's report together with a xerox copy of the ViLTEC logbook for use.

Please submit your findings and recommendations not later than September 30, 1996.

For compliance.

VISAYAS STATE COLLEGE OF AGRICULTURE

OAA  
1st Indorsement  
August 7, 1996

Respectfully forwarded to the College President through the Vice President for Administration, the herein report of the Chief, Security Officer, Dr. Zosimo M. dela Rosa with the following comments and recommendations:

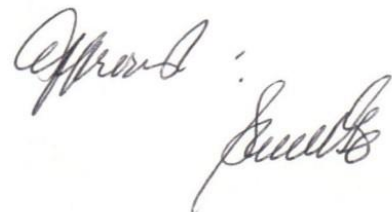

- 1.) Since gambling is prohibited inside ViSCA campus per Memo No. 21, s. of 1995 and also per Sec. 410 of the ViSCA Code, any violation to this policy by any ViSCA staff is considered as light offense per Book V of Executive Order No. 292.
- 2.) The documents submitted by Dr. dela Rosa shows names of persons playing tennis with corresponding amount in pesos written opposite of the names of some pairs as alleged bet. Although this document at this point in time appears a mere scrap of paper, however, if used properly, it can give sufficient evidence if gambling really is practiced at the ViSCA tennis court.

May I therefore recommend that based on this report of Dr. dela Rosa, another committee be created to dig deeper into the reported gambling perpetrated by some ViSCA staff while playing tennis at the ViSCA tennis court, using the entries in the attached xerox copy of the log book as starting point in conducting the investigation.

  
LOURDES B. CANO

Sir:

The ViSCA Security Force has consistently noticed that some members of the ViSCA Lawn Tennis Club still grossly ignore the standing college policy as stated in Memorandum No. 21, series of 1995. There have been a series of letter-requests I sent through the president of the club, Dr. Tomas Fernandez, requesting them to stop gambling in the tennis court - but despite this appeal - gambling still exist.

The apparent non-observance of the aforecited memorandum is a clear manifestation of disrespect to the administration's call to stop any form of gambling inside the school premises. Moreover, this is against Section 410 of the ViSCA Code. Based on the memorandum, the security force has done its share in terms of monitoring the presence of gambling in the tennis court. May I enclose herein some documents that may guide that Office some basis for further inquiry.

Thank you.

Truly yours,

  
ZOSIMO M. DE LA ROSA  
OIC, Chief Security Officer
