Office of the President

29 January 2002

**MEMORANDUM NO.** 69  
Series of 2002

**T O: All Concerned**

**R E: Classification of Projects & Workshop on Budget Preparation and  
Commercial Accounting System for IGP's**

Attached herewith is the list of projects classified as income generating. All projects identified as income generating will follow the new IGP guidelines in budget preparation and should adopt the commercial accounting system.

In this connection, managers of projects included in the list are required to attend a workshop on budget preparation and accounting procedures for IGP's. The said workshop will be on February 26, 2002 at the LSU Pavilion.

Project Managers who wish to have their projects classified as income generating may submit their application to the Board of Management with corresponding feasibility study.

### List of Projects Classified as Income Generating (Above all cost)

1. LSU Printing Press
2. Hostel
3. Pavilion/Guest House
4. Coconut
5. Rice Farms/Seednet
6. Broiler
7. Mango

#### Note:

1. Truly income generating projects are those realizing net income after paying costs such as electricity, water, depreciation for building, equipment used, labor, etc.
2. Projects not in the list are classified as "Income" and shall be under the Assistant to the President for IGP.
3. Project managers who wish their projects to be classified as income generating may submit their application with corresponding feasibility study.
