R E: Participation in the Grand Alumni Homecoming 2010

As you may already know, this year's Grand VSU Alumni Homecoming is on 21-22 May 2010. In support of our efforts to build a strong VSU Alumni Association, this office requests all graduates from the Visayas State University Main Campus (including graduates of the then Visayas Agricultural College, Visayas State College of Agriculture and Leyte State University – Main Campus) to actively participate in the homecoming activities. Aside from renewing and establishing ties and friendship, let's take this opportunity to show and tell our fellow alumni of the developments of the university since their last visit.

Unit Heads are also requested to excuse from their respective offices VSU Alumni to give them quality time for the alumni activities.

The cooperation of everyone concerned is expected.

JOSE L. BACUSMO
President
