**MEMORANDUM CIRCULAR NO. 109**  
Series of 2022

**T O: All VSU Faculty, Staff, and Students**

**R E: Final Schedule of the University Intramural Games 2022**

The 2022 Intramural Games will be held at the Visayas State University-Main Campus with the theme SÁLINGKUSÓG as the focus. Sálin, which means to transfer, and Kusóg, which means strength, served as our guides. The transference and development of power, discipline, friendship, and sportsmanship throughout all competitions in contemporary today is highlighted by this year's Intramural Games.

Due to a scheduling conflict at our university, the University Intramural Games 2022 will be held on October 17 - 19, 2022, rather than October 19 - 21, 2022. Please see the accompanying amended General Schedule of Activities for your reference.

We are confident that, after a two-year break, the Intramurals will be able to unleash our student-athletes' potential and unravel capabilities through Sports, Literary-Musical, and Special activities.

For the purpose of everyone's active participation.

**EDGARDO E. TULIN**  
President
