R E: Ad Hoc Committee to Investigate Further Violation of
College Rules by the Zeta Beta Rho Honor Fraternity

Following the provision of the VISCA Code under Chapter 70, Sec. 400 and admission of guilt with some explanations by the Supreme Fellow of the Zeta Beta Rho Honor Fraternity, please constitute yourselves into an ad hoc committee to do further investigation of the case. The College has promulgated rules with good reasons against recruitment of freshmen into fraternity organization and conducting initiation rites without permission from the Office of Student Affairs. These are meant to protect the interest of new students. In the case of actions by organizations, the officers and advisers of the organization are held responsible for all the activities of their organization.

Please submit your findings and recommendations of punishment to all parties concerned who are verified guilty within fifteen (15) days from receipt hereof.

M. R. VILLANUEVA
President
