MEMORANDUM CIRCULAR NO. 01
Series of 2023

T O: All Faculty and Students

R E: Resumption of Classes on January 9, 2023

As agreed by the UADCO, the resumption of classes after the Christmas break will be moved to **January 9, 2023** instead of January 4. This decision came up in order to give ample time for the students coming from the different provinces of Visayas and Mindanao to travel back safely to VSU considering the inclement weather condition (heavy rains and gale warnings due to low pressure area) that Leyte is experiencing at the moment. Thus, all faculty who are on teachers' leave are advised to report on January 9 while those who are on vacation-sick leave status are required to report today.

With this, I pray for the safety of all faculty, staff and students as you head back to VSU after the Christmas vacation.

This Memorandum Circular is also applicable to all satellite campuses of VSU.
