MEMORANDUM NO. 60
Series of 1992

T O: All Faculty, Staff and Students

R E: Wearing of ID

In view of recent developments and in response to the recommendations of the President's Advisory Council, the following points are hereby adopted effective immediately:

1. Exempting faculty and staff of ViSCA from wearing ID as required by Memorandum No. 105, s. 1991 No. 3 for the reason that they are supposed to be known and, if not, it must be the duty of the apprehending authority to extend the courtesy of verifying their identities;
2. Exempting ViSCA students from wearing the required ID in areas for recreation, marketplace, church, and exit on their way home or other off-campus destinations, provided that when they are in the above-cited places located on campus they are willing to identify themselves with their kept ID cards as the need arises;
3. Directing the Security Unit to issue Visitor's Pass to be worn by visitors individually or to be carried by a representative of a group in case of group tour;
4. Requiring the students to wear ID in academic buildings and field laboratory areas for their lecture and lab classes under the strict supervision of their course instructors;
5. Security Unit assigned to the Administration Building and other college structures needing tight security and heads of departments, centers and other offices may formulate guidelines relative to wearing of ID for security and safety.

Previous rules inconsistent with this memorandum is deemed amended.
