Series of 1988

T O: Atty. Luz M. Polistico

R E: Preparation of Legal Measures Against Delinquent
Faculty Members on Contract

In coordination with the Personnel Office and the Scholarship Committee, please undertake legal steps to compel certain faculty members who have failed to return to VISCA, in violation of their scholarship contracts, to compensate VISCA as per provision of their contract. We shall no longer require them to render service to VISCA but they should refund to VISCA the cash equivalent of their contracts.

Please be guided accordingly.
