MEMORANDUM NO. 106
Series of 1987

T O: Mr. Prudencio Q. Marquez

R E: Request of Mrs. Trinidad E. Faelnar To Rent Space
at ViSCA Market

Following the letter request of Mrs. Trinidad E. Faelnar which you considered as valid although not strictly covered by the IGPO existing guidelines, as per your indorsement dated Sept. 15, 1987, please allow her to continue with her operation in the market as business partner of a certain Mrs. Eunice V. Niones until her case is reviewed and the existing IGPO guidelines are checked in relation to the real situation in the market and as per contract between ViSCA and Mrs. Niones. I have personally observed some discrepancies in the operation of some stall in the market that I feel do not conform with the guidelines. The present operation seems to imply that the existing guidelines no longer apply to the present circumstances or are not strictly enforced. They suggest that the guidelines should be reviewed to make them more relevant to the present circumstances.

Let us submit the guidelines to an external committee for review in relation to the present situation in the ViSCA market and in the ViSCA community as a whole before making any change in the existing arrangement in the market.

Thank you.
