Thru:

Prof. PRUDENCIO Q. MARQUEZ
Chairman, Fact-finding Committee
to investigate gambling in tennis courts

Dear Sir:

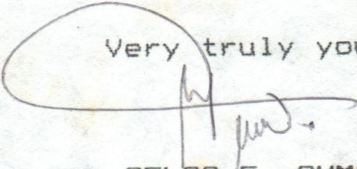

This is with reference to your Memorandum No. 132, series of 1996, dated August 20, 1996, appointing me as one of the members of the fact-finding committee to investigate the allegedly perpetrated gambling in ViSCA tennis courts by some ViLTEC members.

Much to my desire to be part of the said committee, however I would like to waive my membership for reason that I am a member of the tennis club. My being a member in ViLTEC, I think, would create a bias in the investigation.

Nevertheless, I thank you for your trust. Lest be assured that if there is another investigation of this nature in which I am not directly or indirectly involved I would be willing to participate.

I hope you can find another person to replace me.

Very truly yours,

CELSON F. GUMAD
Chief, TMD
