

VISAYAS STATE COLLEGE OF AGRICULTURE
Baybay, Leyte

OFFICE OF THE PRESIDENT

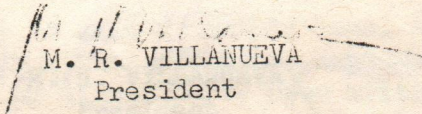

October 13, 1989

MEMORANDUM NO. 158
Series of 1989

T O: All ViSCA Faculty and Staff
R E: Salary Standardization

As the latest development, DBM is finalizing the Position Allocation list for all government agencies. This list contains the positions and their corresponding salary grades for each agency or institution. Until this list is prepared by DBM, the College will not have a basis for the preparation of the payroll. We were promised until the end of this week but Typhoon "Saling" that hit Manila on Wednesday disrupted the work. If there will be no more interruptions, the list can be ready early next week.

Further developments will be disseminated.
