MEMORANDUM CIRCULAR NO. 20

Series of 2022

T O: VSU Graduate Students and Faculty

R E: Graduate School Onboarding for 2nd Semester AY 2021-2022

As a global university, VSU puts emphasis on advanced education where the VSU Graduate School plays a central role. Our onboarding events since the start of the pandemic have greatly helped us get many sectors on the same page: faculty, staff, and students alike.

On February 24, 2022, Thursday, it is the **VSU Graduate School's** turn to conduct its onboarding, a one-day event with the theme "Padayon, Graduate School!" – our commitment to continue doing what we do despite the challenges.

All VSU graduate students and faculty are enjoined to participate in this onboarding event which will be held in a Zoom Webinar, as well as livestreamed on relevant official Facebook pages (VSU, VSU Graduate School, and VSU Open University).

To get the best, interactive experience, participants are encouraged to be in the Zoom Webinar. Register by following the link below or scanning the QR code on the right to join:

The Webinar can accommodate as many as 500 people. Our top officials, deans, department heads, speakers, and other identified participants will be invited as panelists to the Webinar.

I'm looking forward to see you all on Thursday.
