

22 January 2019

MEMORANDUM NO. 30
Series of 2019

To: Dr. Beatriz S. Belonias, VP for Instruction

SUBJECT: Equal Affirmative Opportunity Policy Student Admission to education programs and activities

1. The attention of the undersigned was called by the VSU Board of Regents on the matter of the university's implementation of the equal affirmative/opportunity for student admission.
2. Although VSU has been dedicated to equal opportunity and has opened its doors to students without regard to race, sex, sexual orientation, creed, age, religion or other irrelevant criteria, a policy on Equal Affirmative/Opportunity for Student Admission to education programs and activities was not established. This policy will serve as a guide to maintain a uniform system for fair access to admission opportunities that is an accurate reflection of the demographics of the student population. It will ensure that every employee of VSU will commit and cooperate fully in helping the university meet its equal opportunity and affirmative action objectives on student admission.
3. In this regard, you are directed to draft an "Equal Affirmative/Opportunity on Student Admission Policy".
4. For inclusion in the agenda during the next UAdCo meeting, please submit the draft on or before February 20, 2019.

For your action.

EDGARDO E. TULIN
President
