MEMORANDUM NO. 88  
Series of 1988

T O: All Regular Staff with Research Positions

R E: Evaluation Papers

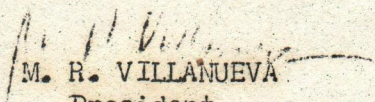

The proposed guidelines under NCC 15 intended for research staff with plantilla positions in state colleges and universities, submitted by PASUC as counterpart to NCC 33 for academic teaching staff, have not been acted upon by DBM until now. ViSCA has been following this up with DBM independently of PASUC.

As a result of ViSCA follow up, DBM has requested our assistance to provide them with an analysis of the proposed guideline in comparison with NCC 33. The proposed guidelines prepared by the PASUC Committee, of which I was a member, are practically the same as those for NCC 33.

We are, therefore, distributing PASUC evaluation papers for you to accomplish so that we can use ours as a basis for analysis to be presented to DBM. Hence, for us to determine the needed amount to cover all adjustments if the guidelines are approved, we are requesting you to submit the evaluation papers not later than July 30, 1988. The cut-off date is December 31, 1987.

May I emphasize that the guidelines have not been approved, but your cooperation in submitting the PASUC forms can help expedite action by DBM on the proposed guidelines.

Thank you.
