R E: Workshop on the Cascading of Agency Performance Targets

The Department of Budget and Management (DBM) is in the process of adopting a performance-based incentive system for government employees as per Executive Order No. 80, series of 2012 issued by the President of the Philippines, His Excellency Benigno S. Aquino III. A set of policy guidelines will be formulated and an Inter-Agency Task Force on Harmonization of National Government Performance Monitoring, Information and Reporting Systems was created to come up with a harmonized Results-Based Performance Management System (RBPMS) and Performance-Based Incentive (PBI) System.

In order to know the rules and responsibilities of the department and unit/office heads in the cascading of performance indicators and targets, you are hereby directed to attend the **Seminar-Workshop on Cascading of Agency Performance Targets** to be conducted on **August 13 and 14, 2012** at the **Center for Continuing Education (CCE), VSU, Baybay City, Leyte**.

Please bring with you OPIF data for 2011-2012 for your input during the workshop. Our output for this activity will determine our Performance-Based Bonus (PBB). Please come on time and you are encouraged to actively participate in this two-day workshop.

JOSE L. BACUSMO
President
