MEMORANDUM CIRCULAR NO. 50

Series of 2021

T O: All Concerned

R E: Rectification of the OP MC No. 46 s. 2021 - Deadline for Dropping of Subjects Without a Grade of 5.0

In OP MC No. 46 s. 2021, it was stated that:

"... students who cannot submit a passing grade in the pre-requisite subject by midterm shall be dropped from the higher subject requiring such prerequisite. The same deadline for dropping shall apply (May 10)."

The aforementioned statement is hereby rectified as follows:

*"Students who cannot submit a completed passing grade in the pre-requisite subject **one week after the last day of the midterm examination week, shall be dropped both in the pre-requisite subject and in the higher subject requiring such pre-requisite (BOR Res. No. 46 s. 2021)**."*

Since the midterm examination week is on May 10-17, this means that the deadline for dropping of the uncompleted pre-requisite and the higher subject is not May 10, but May 24, 2021. Dropping of non-prerequisite subjects will still follow the May 10 deadline.

For your guidance and compliance.
