MEMORANDUM CIRCULAR NO. 43
Series of 2022

T O: All VSU Constituents

R E: Suspension of both work and classes on April 11, 2022

Following the order of Baybay City Disaster Risk Reduction and Management Council, we are now suspending both work and classes within the VSU Main Campus tomorrow, April 11, 2022. This order does not cover essential disaster frontliners and other medical personnel of the university.

Component colleges in Alangalang, Isabel, Tolosa and Villaba shall also follow the order of their respective local government units (LGUs).

Please continue to pray for the safety of everyone as we brace for the impacts of Tropical Storm Agaton. We have also placed our very own Crisis Management Committee on highest alert level to ensure the safety of everyone residing inside our campus.

God bless everyone and keep safe.
