Dr. Allen Glennie P. Lambert
Ms. Louella C. Ampac
Mr. Freddy Nick C. Bello

R E: Attendance to the Scientific Career System – “SCS Orientation and Research Colloquium”

You are requested to participate in the Orientation on the **Scientific Career System – “SCS Orientation and Research Colloquium”** on **June 23, 2022** at **RDE Hall** sponsored by the National Academy of Science and Technology (NAST), Department of Science and Technology Regional Office No. VIII (DOST) and the Visayas State University (VSU). This activity will enlighten the researchers and professors (who are engaged in R&D) from the different SUCs and researchers from National Government Agencies (NGAs) on the SCS and encouraged them to apply for the program. This orientation will be conducted via hybrid mode – face-to-face and online (Zoom).

As a backgrounder, the SCS co-implemented by the DOST and the Civil Service Commission (CSC) is a system of recruitment, career progression, and recognition that awards scientist rank to qualified research personnel in the government service.

For your participation, please register online through this link: <https://bit.ly/SCSOrientation2022> not later than June 15, 2022.

EDGARDO E. TULIN
President
