R E: Attendance to the Seminar-Workshop on Cultural Mapping of VSU Main Campus' Heritage Properties

The Visayas State University (VSU) Culture and the Arts Center (CAC) will be conducting a cultural mapping seminar-workshop on VSU Main Campus' cultural heritage properties. You are invited to assign two (2) of your faculty or staff to participate and represent your office or center.

The seminar-workshop is in tandem with VSU's Centennial Celebration, to formally implement an organized documentation and study of the university's cultural heritage properties before they will be lost forever physically or from memory.

The **Seminar-Workshop** is on **March 14 and 15, 2024 at the Ground Floor Training Hall of the VSU Center for Continuing Education (CCE)**. The opening program will start at 9:00 A.M on March 14, 2024.

We would appreciate your positive response to this invitation. Please answer the confirmation link **on or before March 12, 2024** : <https://forms.gle/8h8YepZ62d7KxxA17>
